Chief, Engineering Division, OC

Contract RD-1 with [redacted]

25X1

It is our understanding that approximately 40 pounds of classified material, consisting of engineering notes, drawings, and similar paper residue, is still in the possession of [redacted]. A check of our records indicates that we are in receipt of all the necessary documents on this project and therefore assume that much of this material is duplicated in our files. It is therefore recommended that you take the necessary action to have this classified material disposed of at the site.
